Hi Tina,

I know you moved to a new school this year. How is your new school?
(Explain)

Have you made any friends? **(Friend called Jane)**

It must be difficult at first. Everything is new. You don't know anyone.

What are the teachers like? Are they friendly or strict? **(Describe...)**

You are such a good student that you always have a good relationship with them.

Is your new school close to your house? **(Tell Kate)**

Tell me your news

Love,
Kate

Write your **email** to Kate **using all the notes.**
